## The Story About Us

Since 1955, Adani has been providing its customers the products of unmatched quality and uncompromised taste.

Each raw material is sourced from its place of origin and processed in its state of the art manufacturing facility. Strict parameters and online QC ensures that the products processed are of superior grade with retention of original flavor so that the end user gets the best of test.

## Why Adani Spices?

Located at the surrounding of spice growing areas like Chili, Coriander, Cumin, Fennel, Fenugreek, Mustard etc. Stainless steel Roasting Machinery for Various spices.

Natural hot and less humid climate, for almost 9 months throughout the year, which is ideal for handling – drying and processing of spices.

A sprawling manufacturing plant in more than 10 acres. Stainless steel Roasting Machinery for various spices. Complete Backward Traceability of all finished goods to its raw materials stage.

Private Labeling, Consumer Packing as per specific requirement in different types of packing material – from 100 g to 5 kgs.

Factory Stuffing of Containers under direct supervision for safe handling of cargo. Close proximity to Mundra Port, our factory is approx. 180 kms from major ports of Gujarat – Mundra , Kandla and Pipavav Ports.
